

# *Military Order of Stars and Bars Scholarships*

**To all MOS&B Chapters and Societies,**

As you know, The Military Order of Stars and Bars has established a college scholarship program for genealogically proven: (1) descendants of Confederate Officers; (2) descendants of the Confederate Executive or Legislative branches of government; and (3) descendants of members of the Confederate States' legislatures, judiciary, and executive branches of government. The MOS&B Scholarship Program annually awards the merit based scholarships to worthy individuals who meet eligibility requirements and have been judged on information submitted by the applicant.

**It is time to start considering candidates for the 2025 awards. All Chapters and Societies are encouraged to submit applications of worthy individuals for these scholarships. There are certainly many possible candidates among our active membership, active membership's children, grandchildren and friends.**

The General Executive Council has determined that each Department scholarship awarded will be in the amount of two thousand dollars (\$2,000). The number of scholarships awarded each year will be determined by the GEC.

Please carefully read all the necessary information on the MOS&B national website.
